FNS Stakeholders

Communities We Serve

Groups or organisations who will benefit from facilitation services

FNS Mailing List Members

Individuals interested to receive facilitation-related information from FNS

SPOT Alumni

Attended FNS 3-day flagship workshop 'SPOT on Facilitation'

FNS and Project Facilitators and Volunteer Facilitators

SPOT-trained individuals who desire to hone their facilitation skills through practice opportunities on a paid or pro-bono basis. Priority for practice opportunities will be given to those who are preparing for CCF/CMF Certification.

FNS Associates

Matured professionals with extensive and diverse work experience, are trained in and have a passion for process facilitation. They are operationally ready to deploy a range of process tools, techniques, and methodologies in service to FNS clients.

FNS Partners

Comprise FNS Licensees certified to conduct FNS programmes and professionals who conduct workshops through FNS.

FNS Core Team

Individuals who passionately believe in FNS Mission, Vision & Values and offer their time/expertise to strategize and manage FNS portfolios on a voluntary basis
