A distinct facilitated session must meet the following five criteria:

1. last at least two hours;
2. include a minimum of five participants, not counting the facilitator;
3. result in a shared deliverable (e.g., action list, decision, priorities, next steps) created by participants through interaction
4. involve the participants speaking at least 2/3rds of the time;
5. involve the facilitator leading the session by guiding participants through each agenda item.
