### Course Objectives

In today's fast moving and competitive world, it is essential for organisation to be equipped with the mindset and toolset to continuously innovate. This course will introduce to participants some of the concepts that form the basis of the innovation. This course has been designed to create an awareness and expose participants to the skills needed for understanding of where/how they can contribute, and sets them on the journey to being more innovative and creative in delivering their services and/or resolving problems.

### Target Participants

For care staff who have supervisory and guiding role; and influences workplace/processes e.g.: Physiotherapist, Occupational Therapist, Senior Therapist/Principle Therapist, Enrolled Nurse, Registered Nurse, Nurse Manager, Nurse Clinician, Nurse Educator, Executive, Senior Executive, Manager, Allied Health Professional.

### Course Trainer

KWSH is delivering the course in partnership with the Facilitators Network Singapore.
