ABOUT US

Group Process Facilitation is a rapidly expanding worldwide profession that plays a vital role in the workings of business, government and communities across the globe. There is a growing demand for people who can help groups build consensus, maximize participation and move toward action.

Facilitators Network Singapore Pte Ltd (FNS) was formed in 2003 with the mission of promoting and supporting the art and practice of professional facilitation in Singapore and the region through methods exchange, collegial networking and support services.

As a social enterprise, FNS operates with the agility of a private enterprise with a non-profit intent and a social contribution motive by offering trained facilitators as volunteers to Voluntary Welfare Organisations (VWOs) and Not-For-Profit Organisations (NPOs). FNS organises regular learning and development activities for local and regional network of facilitators.

To fund its operations; FNS provides professional facilitation training and services for effective corporate retreats, strategic planning, group decision-making, board meetings, stakeholder focus group consultation/engagement and OD consultancy services for corporations at affordable professional fees.

FNS manages certification for the Certified Competent Facilitator (CCF), endorsed by the International Institute for Facilitation (INIFAC).
